Friends,

I wanted to write to you today to wish you and your family a Happy Thanksgiving. Representing you in Congress is a great honor, and I am thankful for all the constituents of North Carolina’s 9th District.

First, I want to express my deepest gratitude to all our current military members and veterans, especially those hailing from North Carolina. As many of us get to spend time with friends and family this week, we must remember that this time we are enjoying was only made possible by the sacrifices of those who served. Our communities also owe a debt of gratitude to all of our local law enforcement officers. Thank you for all you do for us.

**TWEET:** *It’s only been a week since Biden’s FBI was caught using “counterterrorism tools” against parents*

I also wanted to give a special thanks to all the moms and dads out there who’ve stood strong while fighting for their children. You deserve better treatment than you have received from Biden’s DOJ. And I promise to continue fighting on your behalf.

**The Most Expensive Thanksgiving Ever**

This year, you may have noticed an increase in the overall costs of your Thanksgiving meal. You’re not alone. It turns out that *Biden’s disastrous policies* are making this year *the most expensive Thanksgiving meal ever.*

**TWEET:** *The Left’s Thanksgiving message: Just forgo the expensive turkey*

Skyrocketing inflation, along with the supply chain crisis, have been impacting practically every aspect of American life. It’s a good reminder that policies coming out of Washington have a very real effect on American families. We can do much better than the horrible policies that Biden and Democrats have been pushing. To ensure that future holidays can go back to normal, we must continue fighting for conservative values that were helping every family during Trump’s presidency.
I truly hope that you all have a wonderful week with your families despite the increased costs. You have made my time serving as your Congressman worthwhile. From the Bishop family, we hope you all have a happy Thanksgiving!

**Is your Thanksgiving meal more expensive than ever?**

**Prayers for the people of Waukesha, Wisconsin**

The horrific news out of Wisconsin on Sunday was heartbreaking for all of us to hear. During a Christmas parade in the town of Waukesha, a violent criminal drove a car through the gathering leaving 5 people dead so far, and another 48 injured, some of them children.

**TWEET:** Prayers for Wisconsin and let justice be done

Families everywhere should be able to celebrate the holiday season in the company of friends and family without any fear. This was a blatant attack on innocent Americans, and we should be able to call it out for exactly what it is.

To make matters worse, the suspect allegedly responsible for this tragedy should have never been out on the streets. It’s reported that he has an extensive criminal history, and just days prior to the parade, he was released from jail after posting bail on two felony and three misdemeanor charges. His bond was set to a mere $1,000.

So appalling was this news that the Milwaukee County DA was forced to admit that this $1,000 bail was “inappropriately low.” No kidding. And just consider the disparities of justice here given that Kyle Rittenhouse was given an absurd $2 million bond for defending himself against Leftist rioters.

**MORE:** The low bail bond set for this violent criminal is unbelievable

This holiday season should be a time for joy and celebration and my heart goes out to all the families that have been impacted by this tragic event. Jo and I are praying for the victims and hope that justice is swiftly done on their behalf.
